### A Letter From The President

Dear ASU Alumni and Members,

As the holiday season comes and passes I hope that you can take a moment to enjoy the Gosling Gazette and take note of the many things that the sorority has been taking part in. This fall we hosted an open house in our new home, cheered on that great football team of ours, and also took part in some recruitment activities.

As the president, I am excited to lead the sorority in many new paths this year. As most of you know the sorority has moved to a much quieter part of campus and a much safer part as

well. Moving was a hard decision that we had to make last fall. After having made the move and settled in this fall I believe that this decision was the best one. Alumni and friends of the sorority are always welcome to visit and see our new home.

I would also like to take this opportunity to personally invite and encourage past sorority sisters to join us on March 31, 2007. We will be hosting an event which will include alumni, current members, family and friends. The girls and I are very excited about this event and we are looking for-

ward to seeing past members and mending the lines of communication. It is much easier to see where an organization is going when you can see where it came from.

Though most alumni are unaware of who she is, except maybe her name, ASU is losing a wonderful member and sister this fall. Kendall Langenkamp, a sophomore, is transferring to Wright State University to pursue her dream of studying medicine one day. Kendall became a member of the sorority in the fall of 2005. She was only active for a short period

but her dedication was always more than average. I know that I as well as the entire sorority will miss Kendall for a long time to come. I would like to wish her the best of luck from all the girls in ASU.

In closing I would like to wish everyone Happy Holidays and New Year. Go Buckeyes!

Sincerely,

Rachel M. Naylor

President of ASU
